

A black and white photograph of Albert Einstein. He is holding a glowing lightbulb in his right hand, pointing it upwards. He has his characteristic wild hair and mustache. In the background, there is a chalkboard with some faint, illegible writing. A speech bubble is positioned above the lightbulb.
$$E=mc^2$$

**Energie ist
Masse x Lichtgeschwindigkeit im Quadrat**

A color photograph of Marco Sauerhöfer. He is a middle-aged man with glasses, smiling at the camera. He is wearing a dark blue suit jacket over a light-colored shirt with a subtle pattern. A blue and white polka-dot pocket square is visible in his jacket. In the background, there is a whiteboard and some office equipment. A speech bubble is positioned above his head.
$$ms=E^3$$

**Marco Sauerhöfer ist
Expertise x Engagement x Eloquenz**
